## The Installers Choice

- High Shock Absorption**  
 Plastic tops remain in place during fixing
- A4 Marine Grade Stainless Steel**  
 Eliminates discolourisation and rust around pin; and they're tougher too
- Ringshanked**  
 For increased grip when installed
- Coloured Tops**  
 To match all Freefoam products
- 50 Year Lifetime Guarantee**  
 Available on registered installations
- Belt Clip Box**  
 Easy to carry and access pins while you work
- Durable Waterproof Packaging**  
 Withstands rough transportation and on-site handling
